

DISCOVER THE MHS ONLINE ASSESSMENT CENTER+

ACCESSIBLE, FLEXIBLE, AND FAST

Making the switch to digital has never been easier

DISCOVER ASSESSING ONLINE WITH THE MHS ONLINE ASSESSMENT CENTER+

Digital service and remote administration are the most efficient ways to perform assessments and provide client services. Making the switch to digital has never been easier. The MHS Online Assessment Center+ (MAC+), is a user-friendly, intuitive experience that will help simplify all the tasks in your assessment workflow, from adding a client to generating a report.

THE BENEFITS OF ASSESSING ONLINE

SAVE TIME

Hand scoring can be tedious and time consuming. Instead, generate scores and multiple reports at the click of a button. Don't waste valuable time chasing clients for filled out assessments by mailing out reminder letters and replacing lost forms. Simply track usage and send out reminders within MAC+.

SAVE MONEY

If you currently purchase paper forms, you pay for the paper form regardless of whether it's used or not. By assessing digitally through MAC+, you can print or send out as many forms as required, and you won't be charged for the use until responses are entered, scored online, and a report is generated.

Purchasing a use allows you to administer, score, and generate unlimited reports for each rater. You won't be charged a use until a report is generated.

There is no fee to set up an account for administrative users; you can also add unlimited sub-users. Plus, monitor usage by account.

IMPROVE ACCURACY

Scoring online through MAC+ helps to prevent human errors that can occur with hand-scoring. With automatic scoring, you save time and increase accuracy. Turn on the "double data entry" feature to help ensure accuracy when entering scores from paper forms into MAC+. This feature helps to identify any data entry mistakes.

EASIER ACCESS

Administer, score, and generate a report from anywhere with an internet connection. Gone are the days of physically carrying heavy caseloads from place to place, worrying about keeping customer data safe, or travelling to access shared USBs or forms.

Eliminate the hassle of sharing physical copies of manuals and conveniently access our free digital manuals through MAC+, available with digital products released from 2018 onward.

FLEXIBLE ADMINISTRATION

Email a link to a client that brings them directly to the assessment form. Manage and send reminders to your raters when they have incomplete assessments and eliminate pending forms. Uses are deducted when results are scored and a report is generated, not when you send the invite.

Plus, gain quick access to your account balance and usage history and monitor the available uses for your assessments and form use over time for a better understanding of usage history.

BETTER REPORT OPTIONS

Digital assessment gives you access to a range of report options, which vary depending on the assessment but can include:

- A report that looks at the results from one administration.
- A report that compares results of different raters for one individual.
- A report that looks at an individual's progress for different administrations.
- Downloadable PDFs which allow for copying text directly from reports (cut and paste tables, graphs, etc.).
- Helpful report summaries which can assist with interpretation and providing feedback to clients, teachers, parents or guardians, etc.

FAQ FREQUENTLY ASKED QUESTIONS

HOW DO I GET AN MHS ONLINE ASSESSMENT CENTER+ ACCOUNT?

You have many options available when it comes to creating a MAC+ account. Through the purchase of a digitally available product through any method of purchase (MHS' storefront, our customer service team, or a Sales Representative) you'll automatically get free access to MAC+. A Welcome Email will be sent to the email address that was used at product purchase and will include your log-in credentials and a comprehensive "Getting Started" Guide.

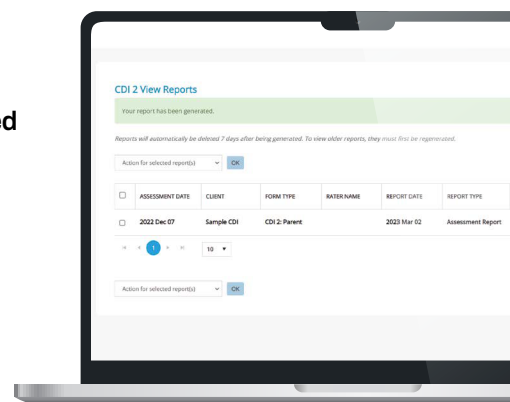

WHAT IF I NEED TO PRINT ASSESSMENTS TO ADMINISTER THEM TO CLIENTS?

Within MAC+ you can print paper forms for clients, parents, etc. to fill out. Printing a form does not consume a use. A use is only consumed once the assessment is scored and a report is generated; therefore, printing forms does not impact your inventory.

WHAT IF I ALREADY HAVE PAPER FORMS?

If you have ordered paper forms within a specified return/exchange policy timeline, you may exchange these paper forms for online forms. If you have paper forms outside of a return/exchange policy, you may use them up as you see fit. However, you do not need to use up your paper form inventory before shifting online. Should you require further assistance, please reach out to customer service: CustomerService@MHS.com

ARE THERE RESOURCES AVAILABLE TO HELP ME GET STARTED?

Yes! MHS has created easy-to-use guides and resources available to you online for reference
